Note

(1): The software will not be able to stop submission of choices not allowed as per restrictions stated in this table. Efforts have been made to warn about such restrictions for admission through pop-up messages whenever the institute / branch is clicked by a candidate. ***Candidate must read these restrictions carefully and he/her should not submit choices if he/she find themselves not eligible as per the restrictions given herein. If he/she fail to follow these instructions, even after formal issue of the allotment letter, the admission would be denied by that institute and responsibility for the same would lie exclusively with them. The Central Counseling Board would not be responsible for denial of admission in such cases.***

(2): Female Candidates for Mining Courses: Section 46 (1) of the Mines Act, 1952 states that “No woman shall, notwithstanding anything contained in any other law, be employed (a) in any part of a mine which is below ground,(b) in any mine above ground except between the hours 6 a.m. and 7 p.m.”.
