3. Rules of Allotment of seats in Supernumerary Round & Reporting

- i. All eligible candidates as mentioned above have the choice to participate in **Supernumerary Round**.
- ii. Candidates are permitted to fill choices for all the branches as available in the published seat matrix. Allotment will be made only for balance number of seats (after deducting seats filled in normal course of allotment in Home State quota from the total supernumerary seats for that UT).

For example: There are 33 Supernumerary seats for Lakshadweep. Say, till special vacant seat filling round, 10 candidates from Lakshadweep have got admission in NIT Goa in Home State quota. Out of these 10 students, say, 4 candidates decide to withdraw from NIT Goa seat, resulting only 6 students from Lakshadweep retaining their seats in NIT Goa. Hence 27 (33 - 6) seats will be allocated in NIT Calicut for students of Lakshadweep according to their CRL Rank.

- iii. All allotments will be made as per the merit based on CRL Rank only.
- iv. After the seat allotment, candidate can directly report to the allotted institute, get the documents verified, pay fee and take admission.
